TEACH ME

SEPTEMBER 12

1 PM

Each one teach one-

A self-teaching creative and dynamic learning experience, where each one of you shares life lessons and wisdom as others teach you something as well.

An Experience in
Self-teaching

Don't be shy - tell
us your
experience and
share your
knowledge.

Be Creative

Bring your own
ideas to make this
a fun learning
experience.

Remember we are
here to learn and
grow with one
another.

WISDOM

Be prepared to share lessons
that molded you as a person.

We learn something new
every day so let this be a good
learning experience to learn
more from each other.
